Dear SF District Attorney Chesa Boudin,

Allow me to first express my thanks to you for your commitment and leadership to the people of the San Francisco Bay Area. I am also very grateful for your support of the Rainbow PUSH Coalition by attending our Asian Solidarity events last month. Your presence at our Banquet, Press Conference and the Rally spoke volumes about your character and leadership, as well as your sensitivity to the need for unity, inclusion, collaboration and collective strength, especially during these difficult times.

We have watched closely how you have served and supported the fair and just implementation of the justice system, and yet many people are looking for ways to question and undermine your efforts. It is apparent that there are other agendas at work. This shameful attempt to roll back justice reform is no different from the blatant attacks on voting rights and other Republican attempts to suppress and subvert our democratic processes. But we beat it nationally last November, again in Georgia in January, and we'll do it in San Francisco for you. Justice reform and police accountability are the forefront of the ongoing struggle for civil rights in this country; we haven't backed down yet and we're not about to start now.

We stand with you and against any recall of your position. It is our hope that you will continue to serve the constituents of the City and County of San Francisco well, and that our priorities to promote fairness, justice and equality will continue to be upheld.

Thank you for your service and leadership. We look forward to collaborating with you moving forward to KEEP HOPE ALIVE.

Sincerely,

Rev. Jesse Louis Jackson, Sr.
